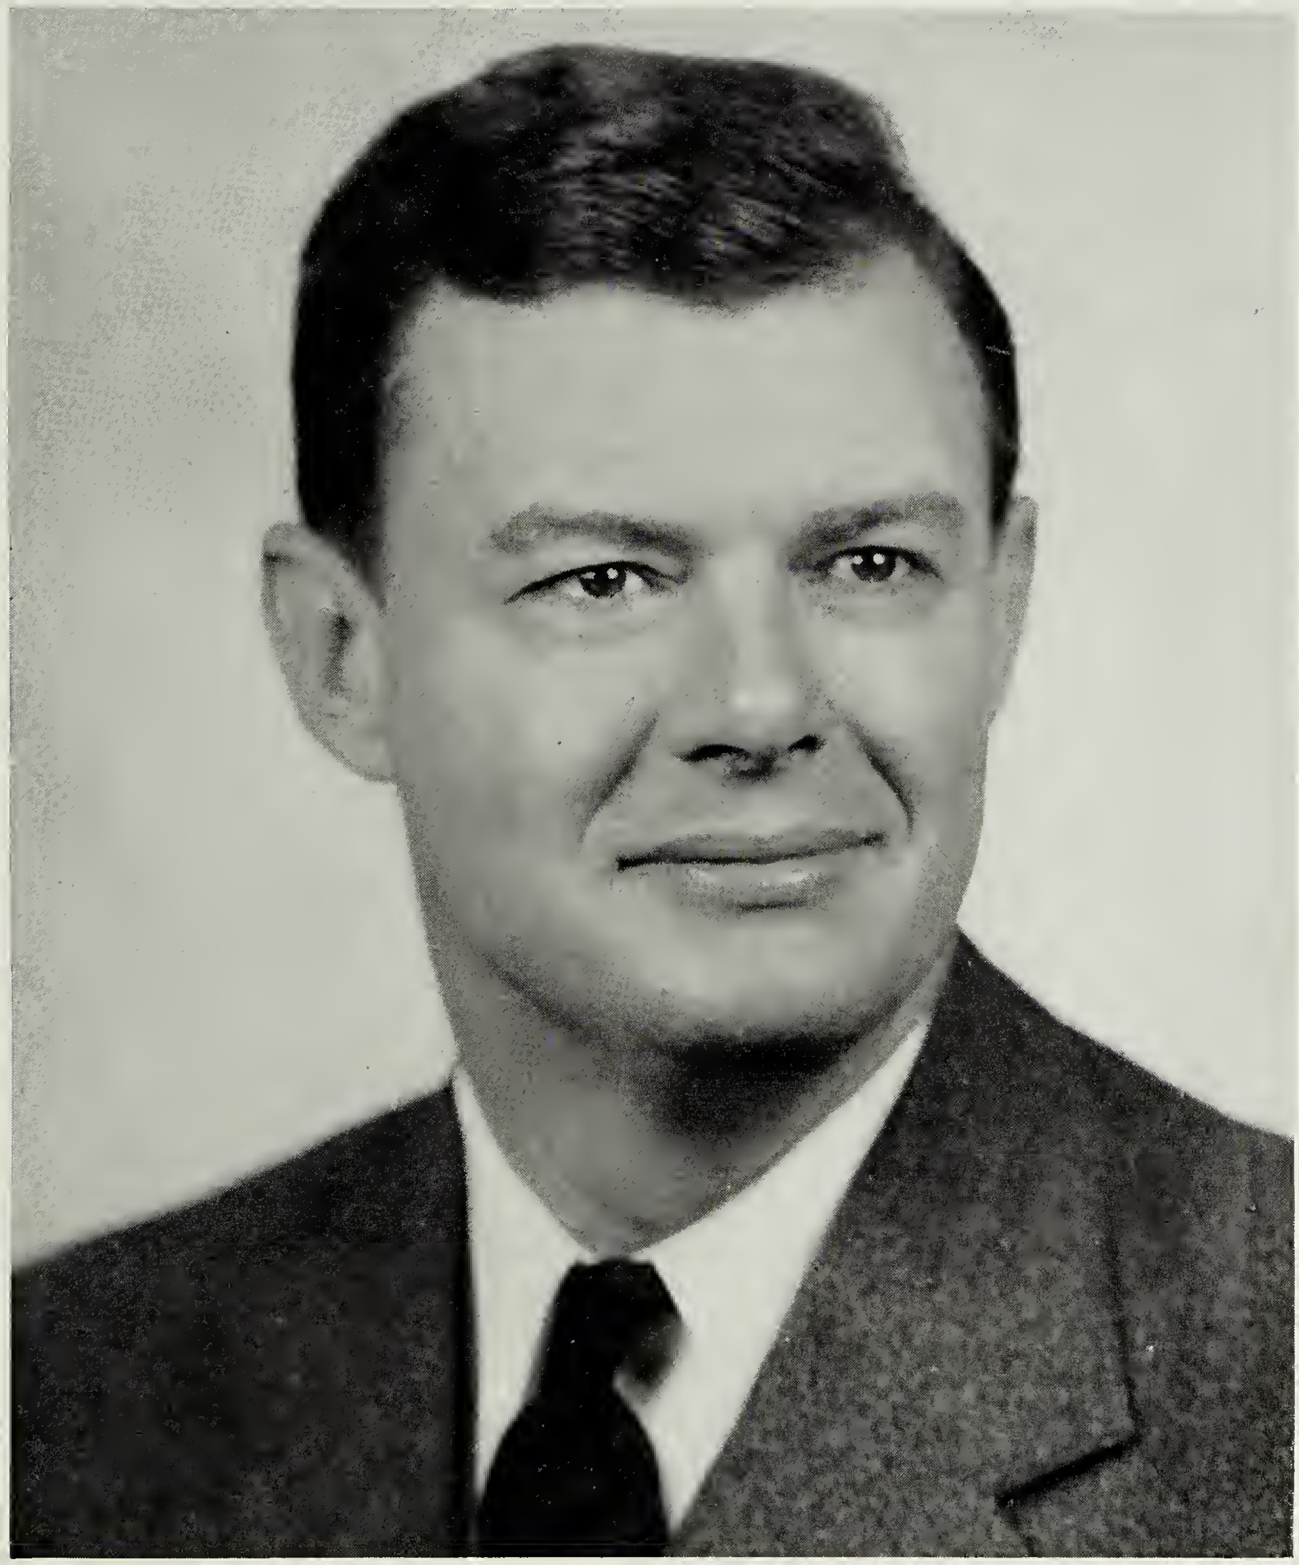
". . . I have but one lamp by which my feet are guided, and that is the lamp of experience. . ."

Patrick Henry



DEDICATION

The 1952 Mavahi is dedicated to a man of vision, a man of accomplishment—wise in administration, diligent in duty. His willingness to insure our well-being and his sincere concern for our future have placed him in our hearts and minds as a true friend and educator.

MR. JOHN D. RICHMOND

"The things that the flag stands for were created by the experiences of a great people . . . It represents the experiences made by men and women, the experiences of those who do and live under that flag . . ."

WOODROW WILSON

*"Our hearts will always cherish
a love for Mavahi"*

As graduation draws nearer, we, the Class of '52, attach a deeper and truer meaning to the words of our Alma Mater. The years spent within these halls have been happy ones, filled with many precious memories. However, with the beginning of our final year, we awakened to the reality that not long hence we will be the leaders of our state and nation. With this in mind, we have used throughout our book quotations of famous Virginians. It is our desire that we will see many of our classmates follow in their footsteps.

"I will enter upon the . . . duty, and exert every power I possess in their service . . ."

ADMINISTRATION

ADMINISTRATION

The groups whose pictures appear on these pages are the ever efficient and cooperative bodies that prepare us for living in our city, state, and nation. Superintendent M. L. Carper, to whom we are all extremely indebted, has made endless efforts toward the continued growth of our school system and policies.

The school board, led by Mr. J. R. English, has been zealous in their endeavors; therefore our administration has been a progressive one.

In the top picture on our right, we present the group which does the work behind the scenes. Although normally we do not come in contact with them, their separate functions play a major part in the activities and welfare of our school.

We could not omit Mr. Richmond, Mr. Milton, and Miss Wright, whose efficient handling of high school affairs has been of the highest calibre. Their excellent guidance and aid are appreciated by the entire student body, and we will always be grateful that we have had such capable leaders.

We are proud to present a smooth-working faction, our administration.

In September of '47, we invaded Mavahi as the first eighth grade class to enter high school. That year found us, as "Mice," searching what seemed like endless corridors for classes, and shrinking at the mere sound of an upperclassman's voice.

We then climbed a step up the ladder to become "Rats." Even that was music to our ears after the ordeal of the first year.

The sophomore year found us well in the swing of things. Our classmates participated in sports, literary contests, and headed many clubs and other extracurricular activities.

The year we were juniors will long be remembered and hallowed by all of us. Our dreams of a perfect session materialized in the Junior Play and our class rings. The most memorable of all—our Junior-Senior Banquet and Dance climaxed our year as Jolly Juniors.

Finally came the time when we took the rank of seniors. With the help of our sponsors and officers, we energetically turned to the Senior Prom, the annual, and the hope of being entertained royally by the juniors.

Now, with the memories of suffocating in the balcony, the rush for the cafeteria, our many locker crises, and cherished friendships; we leave Mavahi as the Class of 1952.

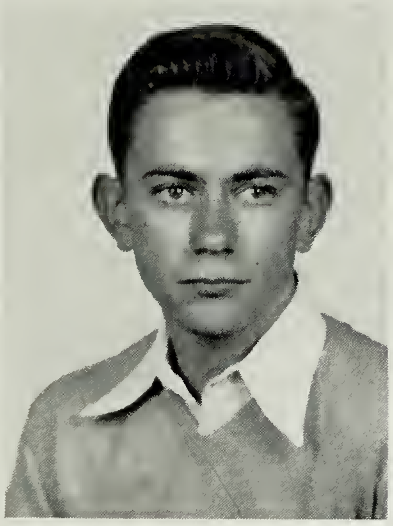
JUNIOR CLASS



Jimmy Steagall, *President*

In 1949, our high school days officially began, even though we had entered Mavahi a year before as lowly eighth-graders.

Our freshman year proved rather uneventful, and we advanced to the status of sophomores.

The second year was highlighted by our winning the float contest of the Homecoming Parade. By the end of this year we had begun to form a bank account with the payment of our first dues.

When we became juniors, the need for these dues was more pronounced. To supplement our growing account, we gave the Junior Play, "Don't Take My Penny." In early May, after much thought and hard work, we honored the Seniors with the traditional Junior-Senior Banquet and Dance. Only our part of the annual Senior Day program remains yet to be done.

As this busy year comes to a close, we pause for a moment and think of Mavahi's past senior classes. The standards set by them are high, but next year we will continue our efforts to equal and surpass this goal.

SOPHOMORES

Participating against upperclassmen in Home-Coming activities give our class one of its greatest thrills. Through honest and spirited effort, for which we were complimented, we took second place in the Homecoming parade.

On February 13, we were honored to serve as host class for the college night reception.

Miss Betty Jo Wright served as chairman of our class.

Best of luck always. I have enjoyed being in study hall with you. [illegible]

On August 25, the Martinsville High School gym rang with the sound of cleats pounding against concrete and the voices of many gridmen. After a lapse of several years, Tom Burnette was again taking over the reins as head football coach. He was ably assisted by Coaches J. B. Heldreth and Ed Martin.

At the beginning of the season, with only eleven men returning from last year's squad, the prospects of a winning team were dim. But the Bulldogs traveled to Danville to defeat a scrappy Schoolfield eleven to the tune of 19-0. In the next seven encounters, we won 2, lost 4, and tied one. When Homecoming rolled around, the Bulldogs were pitted against the strong William Byrd Terriers. Although we started as the underdogs, we outclassed our opponents in every department before the game ended in a 6-6 tie. Comparatively, we had a very successful season because of the hard work of the boys and the capable leadership of the coaches and co-captains, Jensie Teague and Ken Donovant.

JUNIOR VARSITY FOOTBALL COACHES
Left to Right: Mr. Milton, Mr. Russell

With a look only at the record, this year's Junior Varsity Football Team did not have a highly successful season. The Bullpups won one, lost four, and tied one. However, Coaches Milton and Russell feel that the season was very beneficial because of the experience given the players. Of the thirty-four boys on the squad, only three had played football before.

Next year's Varsity squad will probably be strengthened by many of these hard hitting Junior Varsity players.

This season the Junior Varsity team did not elect a captain for the entire year, but elected a different one for each game.

For the second year Mr. Ralph Burkhart took over the duties of varsity basketball coach and again steered his team into the District VI Tournament. Coach Burkhart developed his team around Frank Pulliam, Buddy Bondurant, and Gary Thomerson, the only returning lettermen, and James Weddle, Harry Daughtry, and Charles Vass, who also saw action as members of the 1951 aggregation.

As the season progressed, the Bulldogs were given added strength by the return of Ronny Hawks, who had spent a semester at Fork Union Military Academy. Further help came from members of last year's Junior Varsity squad—Wayne Hairfield, John Hurd Campbell, Bobby Martin, and Freddie Kirk.

The overall record of the team was 9 wins and 10 defeats, but in conference competition we boasted a 7 won, 6 lost record. This is no indication of the excellent performance shown by the Bulldogs against some of the strongest teams in the district.

The Bulldogs opened the season by downing the Leaksville Red Devils, but the next tilt found us on the short end of 45-32 score with George Washington from Danville. Against William Fleming, we won our first conference game; however, we saw only three victories in the next nine encounters. One of these was the exciting contest with Fieldale which went into a second overtime period. When time ran out, the two teams were deadlocked 40-40. After one overtime, the game was still tied 44-all. The teams then went into a "sudden death" which ended when Harry Daughtry sank a two-pointer to give Martinsville a 46-44 win.

Following another close victory, this time over the high-riding Radford quintet, we won four out of six games. These wins assured us a berth in the district tournament as the eighth place team.

On the opening night of the tournament, we advanced to the semi-finals by upsetting first-place Fries. The next night we faced Fieldale for the third time this season and for the third time we defeated the scrappy Blue Devils. On this victory the team entered the finals where we met defeat at the hands of the Radford Bobcats. This last game found a tired and off-key Bulldog squad battle the team which had led the district for much of the season. Also, it should be remembered that the last week saw our cagers play five games in six nights, losing only to the Bobcats.

This year's squad had no cager who could be singled out for special recognition; each game had its own outstanding performer. The scoring was fairly evenly divided among the players, with each playing his position well. Coach Burkhart and the entire team deserve much praise for their work this year and their ability to come through when the chips were down. They can be especially proud of their fine showing in the tournament against overwhelming odds.

Coaches Jennings and Aker started this season with two experienced players, Joy Craig and Nancy Barbour. The job, therefore, was to mold a winning team with these two girls as the nucleus and a score of underclassmen as the body.

Because basketball is the major girls' sport at Mavahi, the response to it has been excellent. Many girls on the team this year were freshmen and should be hitting the hoops with accuracy next season.

Our 3-3-1 record was a little short of securing us a berth in the tournament, but it did provide invaluable experience for the newcomers.

The win conscious Bullpups deserve a great deal of credit for their excellent showing in District VI. Under the capable coaching of Mr. Putney, the team posted an impressive 18-1 record, and not once was their first place slot endangered.

South Boston handed the Junior Varsities their only setback, a contest which ended with a 42-35 score. However, revenge was sweet, when later in the season the Junior Varsity defeated the South Boston quintet to the tune of 66-29.

Coach Putney's team left many of their opponents bewildered by the lopsided scores. In each of four games the Bullpups scored 65 or more points, but held their opponents to less than 35 markers.

When the season ended, the conference record showed that the Martinsville quintet had an 8-0 record, which seated them tops in the Junior Varsity Tournament at Bassett.

The Bullpups again proved their worth by rapidly eliminating Fieldale, Byrd, and Fleming to win the District VI championship trophy.

The commendable job done by Coach Putney and his boys resulted in the success of this outstanding team. Next year's Varsity will certainly be greatly strengthened by the addition of some of these players.

BASEBALL

The M. H. S. baseball team experienced a mediocre season last year. Although we had strong hitters, led by Dick Privette and Bobby Vaughan, the team had some tough breaks.

The hopes for this season are not so bright, because there are but five returning lettermen. Nevertheless, the spirit remains high and we'll all root for our team.

Last year the team had a 4-7 record. This year we'll strive to be top seeded in District Six.

ORGANIZATIONS

MAVAHI

Bobby Foushee, *Assistant Editor*
Fern Jennings, *Editor*

As in previous years, the '52 Annual Staff was composed of members of the senior class, none of whom had had any previous experience with the publication of a yearbook. However, this fact did not subdue the enthusiasm with which we undertook our task.

Under the capable leadership of Mr. Fleshood, our sponsor, and Fern Jennings and Bobby Foushee, our editor and assistant editor respectively, the literary staff began its work. Jensie Teague and Betty Jo Crockett covered the sports scene while Barbara Spurlock, Ray Bottoms, Carlene Hedgecock, Martha Morris, Buddy Stump, Carolyn Thomason, and Sherrill Winks handled the club and class write-ups.

The two boys seen roaming the school with a camera and a pocketful of flashbulbs were Bobby Shelton and J. T. Weaver who superbly took care of our photography.

Many disagreements and much hard work preceded our finished product, but we were duly impressed with the amount of work necessary for this or any similar publication.

STAFF

Soliciting ads and subscriptions, and later collecting the money—such is the work of the business staff. And it is extremely difficult, as any staff member will readily agree. Miss Virginia Goode, our sponsor, worked doubly hard, as did Tommie Moses, our business manager, and Mary Jane Richardson, assistant business manager.

But Minnie Ruth Chambers, Sue Davis, Henry DeShazo, Jimmy Ford, Dickie Pinkard, John M. Richardson, Patsy Rudman, Gary Kalbaugh, Gary Thomerson, C. J. Short, Kenneth Donovant, and Billy White really did the leg work. Without the hours that they spent after school and on Saturdays, this annual would never have been possible.

Martha Holsinger, advertising manager, handled all the correspondence, and David Blair very efficiently filled the position of circulation manager.

The typists, who doubled as members of the circulation staff, included Callie Mae Blackard, Lois Ann McGuire, Ann Bocock, Barbara Wray, and Peggy Fleming.

Responsible for the art work, which this year included the calendar of school events, were Mona Mitchell and Audrey Mitchell.

All the members of both staffs have worked long and hard; but we hope our labors will bear ample fruit in this production of The Mavahi.

Purposes:

1. To help promote harmony between the faculty and students.
2. To perform various projects of service to the school and the community through its committees.

Just as many Virginia statesmen were active in the course of democracy, so is our Student Council. Everyone in the school has a voice in the student government.

This year we were proud that one of our hard-fought projects, a youth center, became a reality. By selling tickets, and helping in other phases of a horse show, we raised a large amount toward our goal.

The assignment of concessions for our sports events and the allotment of this money to the various clubs proved to be other difficult accomplishments.

These tasks were our time consuming activities, but did not entirely overshadow our lesser duties. Social service, our participation in Homecoming, and continuing the fine supervision of the cafeteria traffic also occupied a great deal of our time.

We have worked long and hard in an effort to uphold the high standards set by preceding councils, and we sincerely hope that our organization has served the student body satisfactorily.

The aim of *The Barker* is to bring to the students an accurate and lively account of the events which have taken and are taking place at Martinsville High School. It further intends to arouse an interest in the educational facilities of our community.

One of the most attractive features of *The Barker* is that it is presented to the students free-of-charge, a service not extended by many high school publications.

The Boys' Hi-Y experienced another very successful year, and again played a big part in high school activities. Although the club had the largest membership in its history, there was remarkably good attendance at meetings and at the monthly church services.

We participated in the Annual White Christmas Program and helped to sponsor a Community Sunrise Service at Easter in the high school stadium. Later in the spring we sent three delegates to the Model General Assembly in Richmond; then in May we took our annual trip to Fairystone to round off the Boy's Hi-Y activities for '52.

The purpose of the Alpha Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character. This organization is composed of freshman and sophomore girls who strive toward these high ideals for themselves and their fellow classmates.

Delegates are sent to the Model General Assembly in Richmond, and each summer a group of girls attends the Blue Ridge camp. In this way the organization has learned new ideas from other Hi-Y groups throughout the Southern states.

This year the Omega Tri-Hi-Y was very fortunate in having two very efficient leaders, Miss Sally Taylor, sponsor, and Minnie Ruth Chambers, president. Under their guidance, the club revived its lagging interest and adopted a New Constitution.

One of our most effective programs was the candlelight induction service for new members; later the publicity committee made yearbooks for the entire club. Spreading the Hi-Y theme throughout the community, we gave a basket to a needy family at Thanksgiving, and a month later we donated money to Christmas Cheer. Further carrying out the Hi-Y purpose, we attended church as a body once each month.

All members are proud of the plaque which we received for outstanding work in 1950-51, but we hope to get an even higher recognition this year.

The 1951-52 Spanish Club is under the direction of our new sponsor, Mrs. Smith. We have been privileged to have Mrs. Arthur Hooker, who is originally from South America, speak to us a number of times.

We have learned several songs and have had many interesting conversations in class. At our club meetings, we speak Spanish and study the life and customs of the inhabitants of Mexico and South America.

Next year, when we turn our duties over to the first year Spanish students, we will certainly do so unwillingly; a main part of these past years at Mavahi has been our Spanish Club and our class.

With much regret we say to our Spanish friends and teacher—Hasta Luego.

The purpose of Le Cercle Francais is to acquaint its members with the customs and traditions of the French people. This is accomplished through various means, the most outstanding of which are games and songs. Each folk song tells a story, and makes it possible to draw a vivid picture of a French family.

Those of the first year class have a full year ahead of them to learn more thoroughly the customs and traditions of the French people. We of the second year class, however, wish to take time to say *au revoir* but through the years we will fondly recall our many activities in Le Cercle Francais.

Creating an appreciation and enthusiasm for Roman life—its customs, art, and literature—is the purpose of the Semper Fidelis Latin Club. Through our projects on various phases of Roman Life, we developed a friendly interest in Caesar, Hercules, and Via Appia. After struggling through many translations, we discovered a standard of living which has survived for hundreds of years. Sometimes our translations showed us an incorrect version, but Miss Frye always spoiled our fun by giving us the correct reading. Soon, however, we began to look at Latin, the "dead language," with a little less contempt. Nevertheless, our faith was shaken when we began our many verb conjugations, and it would seem that there are more irregular verbs than regular ones in the language of the Romans!

Barring such distasteful aspects of the course, we found that Latin could be fun. Many of our programs proved to be not only educational but also entertaining; and, of course, we are anticipating the annual trip to Fairystone as a gay climax to a successful year.

The D. O. Club is one of the most active in high school, from a standpoint of individual accomplishments. By working after school, the members gain valuable experience, and they can verify the truth that all learning does not come from books.

Our club is open to both boys and girls, and the active part that the girls play is shown in our selection of officers this year. As is indicated above, we have an all-female governing group.

The fact that we were the primary organizers of the D. O. Clubs of Virginia makes all of us very proud. We send delegates each year to the State Convention, at which time we discuss problems of the clubs and topics of interest concerning our work.

Travel seems to have been the keynote of the D. E. Club's activities this year. In September, so that the two classes could become better acquainted, we had a picnic. Then, on December 5, we journeyed to Danville to attend a joint meeting with G. W.'s Club. We also participated in the district convention held at Roanoke in February, and our president represented us at the State convention in Richmond.

In addition to these trips, we planned a fashion show which was presented in April as our assembly program.

We can truthfully say that the functions of this year's D. E. Club have been both instructive and entertaining, and have been a genuine benefit to its active members.

The Arts and Crafts Club, under the capable leadership of its sponsors, experienced another fine year. This is the second term that we have been in the new shop, which has many conveniences that the old one did not furnish.

The club proved its worthiness by repairing and delivering Christmas toys to underprivileged children.

We made plans to visit either the Newport News Shipyards or the Ford Assembly plant in addition to local factories and knitting mills.

It is our sincere belief that those people who intend to enter the Arts and Crafts Club will find it a benefit to them.

The F. H. A. is made up of girls who are interested in improving their home and social life. Each month these girls meet for a well-planned program which is directed toward that purpose.

The members of this club not only benefit themselves but benefit the community as well. They help to enrich the lives of many people by the bountiful baskets they present at the holiday season.

They boast membership to the district, State, and National Home Economics Clubs. They also send delegates to the State Conventions which are held in the summer.

This club is the only extra-curricular organization which presents a formal ball.

With pride, we may point to the Home Economics Club as a helpful and worth-while organization.

The F. B. L. A. was organized in order to help us, its members, develop into competent, progressive leaders; to create our interests and understanding in the intelligent choice of business occupations.

Our affiliation with the National F. B. L. A. gives us the privilege of attending any chapter meeting in the United States.

Two of the most impressive activities of the club are the initiation service for our new members and installation of the new officers. The sponsors spent much time helping individual members secure suitable positions.

Even though we worked hard on special projects throughout the year, we also found time for various social activities.

"Paints and Palettes" is now the official name of the M. H. S. Art Club. Although we are only two years old, active interest and participation has been indicated by the students. A formal charter was adopted, and in years to come the organization will certainly grow.

The members have engaged in several projects, one of which include painting of many posters for Homecoming. We also sponsor exhibits from the Virginia Museum of Art which include paintings from many of the old masters as well as examples of modern art. The First National Bank was the scene of some of our handiwork during the Yuletide season. Santa Claus, Frosty the Snowman, and Rudolph, the Red-Nosed Reindeer occupied places of honor in a delightful Christmas scene.

The meetings have been both enjoyable and instructive, and a real benefit to those who have taken part in them. We want to make "Paints and Palettes" a great asset to the school, and it is our desire to do all we can to accomplish this aim.

The newest organization in our school is the Key Club, sometimes referred to as the "Little Kiwanis Club." We had our start in the spring of 1951 with the Kiwanians of Martinsville aiding in our installation.

During the year our club contributed much to school through its projects. We handled the traffic at the basketball games and helped the guidance department in preparation for career day.

The highlight of the Key Club year is the International Convention, which was held last year in Miami and this year will be in Chicago. Each club is permitted to send two voting delegates. Last year we were represented at the convention by Tommie Moses and Bobby Foushee who brought back helpful suggestions for raising the standards of our local club.

The Monogram Club, which was organized in 1945, has become one of the best known groups in our school. We strive, above all else, to promote moral character and higher scholastic standing.

The most dreaded night for any member is his initiation into the club. Days after the ordeal he is still jumping from the "bull shock" and smell of garlic, but he can then don the big "M" and look forward to the next initiation in which he will be dishing it out to new lettermen.

Our sponsors, Mr. Tom Burnette, Mr. Dave Russell, and Mr. J. B. Heldreth, have helped immensely with the functions of the club during the school year. They have been able advisers for the various problems that have beset us, and we express our gratitude for their interest and sound guidance.

THE CLASS OF '52 AND OPPORTUNITY . . .

Opportunity built America — the opportunity to try your hand at anything — the opportunity to attend the college of your choice — the opportunity to start a business — the opportunity to select the company with which you wish to work.

Yes, opportunity is really what made America. And we feel sure the Class of 1952 will take every opportunity to see that America will continue to grow bigger, better and greater than ever before.

It is our sincere wish for you.

Hey, Seniors! We Want Your Autograph...

where it will really pay off—on a Kroger Employment Application. We have excellent positions in a wide variety of interesting, stimulating occupations

A free retirement program and a liberal profit-sharing plan are just 2 of many reasons it's smart to consider a Kroger career
